The Need for Speed!

The first week was so much fun for both campers and staff! We had a wonderful time playing games, completing crafts, and learning all about one another. We're looking forward to learning new skills and enjoying fun new recreation activities together!

This Week's Highlights

Monday, June 3

Weather permitting we'll be going down to the playground for our lunch today. Today is also our swimming day so bring your swimsuits, sunscreen, and a towel! After swimming we'll be playing tag games and doing a small arts and craft activity.

Tuesday, June 4

Tuesday is our field trip day so make sure campers have their green field trip shirt on that day! We're headed to Hollywood Bowl to bowl two games. You can give your child money for snacks if you'd like, but understand that is their responsibility. We leave at 10:00 a.m. and will return around 11:45 a.m.

Wednesday, June 5

Wednesday will be our second arts and crafts day! Do you have the need? The need for speed! Today we're designing our very own race cars. After we have designed these rulers of the road we'll race them down a ramp. Before we race we'll be doing some yoga activities, our lifetime sport for the summer and playing tennis! Make sure you bring your water bottles and sunscreen.

Thursday, June 6

We saw some serious skill from new and trained archers. I hope they're ready for more archery fun as we continue improving our skills. We'll also be working on becoming Wise Kids today with fun lessons teaching our campers new skills about nature and health. Before all of those fun activities campers we'll continue to improve their yoga and tennis skills. Make sure you bring your water bottles and sunscreen.

Friday, June 7

Irving Recreation Center 5-7 Day Camp will be participating in the Summer Reading Program so bring your library cards if you have them. We'll be walking to the South Branch Library on Friday and staying from 10:20 a.m. to 11:00 a.m. Today is also our swimming day so bring your swimsuits, sunscreen, and a towel!

Cold/Rainy Weather Swimming Guidelines

Irving Day Camp will swim as scheduled except when: the outside temperature is 69°F or cooler at 11 a.m., thunder and/or lightning are present, and/or there is steady rain at 11 a.m. Forecasted rain, intermittent light rain, or drizzle will not alone cause swimming to be cancelled. Please always send swimming gear as scheduled!
